

CIF Announces Enterprise as Annual Donor

April 26, 2021 – Mechanicsville, VA – The Collision Industry Foundation (CIF) is delighted to announce that Enterprise has joined the “CIF Annual Donor Program” at the URGENT CARE level! The Annual Donor Program was designed to bring needed, recurring resources to the Foundation, so it can deliver on its mission to Answer the Call when those in the industry have been impacted by unforeseen catastrophic events.

“Enterprise has a huge stake in the future of the collision repair industry and we’re committed to investing in its success”, said Yvette Burke, newly appointed CIF trustee and Vice President, Replacement and Leisure Division at Enterprise. “We’re honored to support CIF and the important work they do for the industry.”

CIF provides emergency relief to collision repair professionals by securing and distributing donations to individuals who have experienced significant losses due to natural disasters or other devastating events. CIF depends solely on the generosity of donations to conduct its work.

The “CIF Annual Donor Program” offers five levels of annual funding options; each with a suite of benefits to donors throughout the calendar year. Please visit www.collisionindustryfoundation.org to learn more about CIF, the Annual Donor levels and the corresponding benefits. All donations to CIF are tax deductible.
