

## CIF Announces United Recyclers Group as repeat Annual Donor

*MECHANICSVILLE, VA, April 4, 2022* – The Collision Industry Foundation (CIF) is delighted that U-R-G committed to participate again in the “CIF Annual Donor Program”. This marks the second time in a row for a donation at the URGENT CARE tier with a \$5,500 pledge!

The Annual Donor Program was designed to bring needed, recurring resources to the Foundation, so it can deliver on its mission to *Answer the Call* when those in the industry have been impacted by unforeseen catastrophic events.

“United Recyclers Group, LLC., an association of auto recyclers, strongly believes in supporting charitable organizations affiliated with our business partners. The Collision Industry Foundation, the charitable arm of the industry, is one of these organizations,” stated Don Porter, CEO. “We feel it is important that every industry endeavor to give something back to the professionals that help make it great.”

“I’d like to thank URG for their support of CIF through the years allowing us to “Answer the Call”, providing support for Collision Repair professionals when they need it most. It’s ongoing support from generous donors like URG that sustains our mission and makes all the difference”, *said* Jeff Wildman of BASF and CIF Trustee.
