CIF Announces Reserved Donation Amount for SoCal wildfires.

MECHANICSVILLE, VA, February 10, 2025 – True to its mission of providing emergency relief, outgoing CIF President Dan Risley of CCC Intelligent Solutions announced during the recent 14th CIF Annual Charity event, that a total of \$250,000 is currently set aside for the California Wildfires support. The non-profit organization has already begun to make donations to collision repair professionals who were severely impacted by these devastating events. Applications for assistance will be accepted through March 31, 2025.

A donation campaign specific to these tragic events was set up, and all incoming funds will go directly to affected industry colleagues. The link to this campaign is below:

That is fantastic. I really appreciate it. You don't know how much this helps . I have put a lot of my life in the auto body repair profession and it is really great that the CIF is there to help people like myself in this time of loss. Keep up the great work and I will definitely spread this around. Thank you so much from me and my family .
