

We Answer The Call™

CIF Announces CCC Intelligent Solutions as Repeat Annual Donor

MECHANICSVILLE, VA, March 17, 2025 – The Collision Industry Foundation (CIF) is thrilled that CCC Intelligent Solutions committed again to the "CIF Annual Donor Program". This marks the fifth consecutive donation at the FIRST RESPONDER (highest) tier.

Introduced in 2021, the Annual Donor Program was designed to bring needed recurring resources to the Foundation, so it can deliver on its mission to 'Answer the Call' when those in the industry have been impacted by catastrophic events such as Accidents, Flooding, Hurricanes, Tornados or Wildfires.

Learn more here about the tax-deductible donations for the program:

For over two decades through the generous support of Corporations and Individuals, the CIF was able to assist hundreds of collision repair professionals in need after a disaster. We are grateful for CCC's' continued support of the Annual Donor Program, which will enable CIF to continue its work for disaster relief assistance.

"When repairers face unexpected challenges, it can impact not only their personal lives, but their businesses and the communities that rely on them," said Dan Risley, Vice President, Quality Repair & Market Development at CCC Intelligent Solutions. "The Collision Industry Foundation provides critical relief to repair professionals in times of need, and CCC is a proud supporter of its mission. Their work makes a real difference, and we're honored to help ensure that support is there when it's needed most."
