

We Answer The Call™

CIF Announces CAPA's Commitment to Annual Donor Program

MECHANICSVILLE, VA, March 20, 2026 — The Collision Industry Foundation (CIF) is delighted to announce that Certified Automotive Parts Association — CAPA has once again pledged its support to the CIF Annual Donor Program, at the URGENT CARE level, which is the second highest tier of giving. The Program, launched in 2021, was created to secure consistent and essential resources for the Foundation. These resources enable CIF to fulfill its mission of “Answering the Call” by assisting members of the collision repair industry affected by catastrophic events such as accidents, flooding, hurricanes, tornadoes, or wildfires. Contributions to the program are tax-deductible, offering an additional incentive for supporters.

Thanks to the generosity of corporations and individuals, over the past twenty-plus years CIF has helped hundreds of collision repair professionals after disasters. The continued support from CAPA for the Annual Donor Program will allow the Foundation to maintain its disaster relief efforts and extend assistance to those in the industry who need it most.

“The collision repair industry takes care of its own, and CIF is at the heart of that. CAPA is honored to support the Foundation’s work — because when disaster strikes, the people who keep vehicles and families safe deserve the same care they give every day.” said Gerry Poirier, Chair, CAPA Board of Directors.

About CAPA

The Certified Automotive Parts Association, founded in 1987, is the nation’s only independent, non-profit certification organization for automotive crash parts whose sole purpose is to ensure that both consumers and the industry have the means to identify high-quality parts via the CAPA Quality Seal. CAPA is an ANSI-accredited standards developer for competitive crash repair parts.
