PRESS RELEASE

Collision Industry Foundation Announces Dedoes Industries Becomes CIF Annual Donor!

April 2, 2021 – Mechanicsville, VA –

The Collision Industry Foundation (CIF) is thrilled to announce that Dedoes Industries has joined the “CIF Annual Donor Program” at the URGENT CARE level with a pledge of \$5,000.

The CIF Annual Donor Program was designed to recognize organizations who support CIF efforts with recurring annual donations, allowing CIF to continue providing support to collision repair individuals who have been impacted by natural disasters or other catastrophic events.

Dedoes Industries is a leader in the manufacturing of paint mixing equipment solutions for the refinish industry. Since 1942, they have provided innovative products with the highest level of quality and service. These products include mixing machines, stirring lids, paint shakers, cabinets, and blending tables. “Dedoes Industries has served the Collision Repair Industry for decades. We are proud to continue to support the Collision Industry Foundation to help industry members in need.” said Mark Jurman, CEO of Dedoes Industries.

The “CIF Annual Donor Program” offers specific benefits to donors throughout the calendar year, depending on the level of support they wish to commit to for annual funding. Benefits may include website visibility, social media publicity, press release, signage at live and virtual events, certificates, plaques, admission to CIF live or virtual events, and more. All donations to CIF are tax deductible.

CIF depends solely on the generosity of donations to conduct its work. “Dedoes continues to be a strong supporter of CIF as evidenced by their ongoing generosity and commitment to the CIF cause year after year. On behalf of the entire CIF Board of Trustees I would like to thank Dedoes for their partnership with us in serving our great industry by lending a helping hand in time of need.” – Scott Walton, CIF Trustee
