

## CIF Celebrates 20<sup>th</sup> Anniversary, Hosts Auction!

*April 6, 2021 – Mechanicsville, VA –*

The Collision Industry Foundation (CIF) is excited to kick off a year of celebration to commemorate their 20<sup>th</sup> anniversary on April 4, 2021! The CIF Board of Trustees would like to extend a resounding thank you to the entire industry for the tremendous support that has been provided to the Foundation over the past 20 years!

The first celebratory anniversary event will be a mobile silent auction, launching April 19 and remaining open for bidding through May 5. The auction will be held through a website link, and bidding from your mobile phone couldn't be easier!

There will be up to 30 amazing items to bid on, with something for everyone! Bid on sports memorabilia like autographed items by Joe Namath, Pete Rose, and Wayne Gretzky. Or music keepsakes like a Rolling Stones custom guitar, a Beatles custom framed record display, or a Rat Pack display.

Perhaps a cooking lesson by a top chef is right up your alley, or you want a personal virtual piano lesson with a Julliard Alum.

Or if you're like most people after a year hibernating, a memorable travel experience is at the top of your list! You'll definitely want to bid on an offshore salt water fishing experience, or to attend the legendary Augusta 2022 golf tournament, or to have the ultimate NASCAR driving experience.

So, have some fun, make a bid, support a great cause and win some amazing items! Watch for more details as April 19<sup>th</sup> approaches!
