

CIF Announces National Coatings-Single Source at Highest Tier of 2022 Annual Donor Program

MECHANICSVILLE, VA, February 4, 2022 – The Collision Industry Foundation (CIF) is thrilled to announce that National Coatings & Supplies / Single Source committed to participate again in the “CIF Annual Donor Program”. This marks the second time in a row for a donation at the highest level: a 1st RESPONDER with a \$15,000 pledge!

The Annual Donor Program was designed to bring needed, recurring resources to the Foundation, so it can deliver on its mission to *Answer the Call* when those in the industry have been impacted by unforeseen catastrophic events.

“NCS/Single Source is very proud to support such a caring and benevolent organization. The Collision Industry Foundation does great work in helping individuals within our industry in their time of hardship and need”, said NCS / Single Source President and CEO, John Leavy.

“Since CIF depends solely on the generosity of donations to conduct its work, this generous contribution is truly appreciated to replenish CIF funds which are dedicated to assist collision professionals after disaster strikes” said Dan Risley of CCC Intelligent Solutions and CIF Treasurer.
