

## CIF Announces LKQ Corporation as Highest Tier Annual Donor

*MECHANICSVILLE, VA, February 7, 2022* – The Collision Industry Foundation (CIF) is thrilled to announce that LKQ Corporation has committed to pledge \$10,000, thus achieving our highest support tier, “FIRST RESPONDER”!

The Annual Donor Program was designed to bring needed, recurring resources to the Foundation, so it can deliver on its mission to *Answer the Call* when those in the industry have been impacted by unforeseen catastrophic events.

About LKQ: LKQ Corporation ([www.lkqcorp.com](http://www.lkqcorp.com)) is a leading provider of alternative and specialty parts to repair and accessorize automobiles and other vehicles. LKQ has operations in North America, Europe and Taiwan. LKQ offers its customers a broad range of OE recycled and aftermarket parts, replacement systems, components, equipment, and services to repair and accessorize automobiles, trucks, and recreational and performance vehicles.

“At the heart of LKQ’s mission statement is to ‘build partnerships in the communities in which we operate”, said Terry Fortner, LKQ’s North American Vice President of Sales & Marketing. “We do this both at the corporate level as well as locally across our network. As an industry leader, we take seriously our commitment to the communities we serve, and our commitment to the collision repair industry.”

“We are proud to welcome LKQ onto our roster of annual donors who believe in supporting the industry in their time of need”, stated Michael Quinn, President at AirPro Diagnostics and CIF President. “We challenge all those who count on collision repair professionals to make their living, to in-turn donate to CIF so we may answer the call when disaster strikes.”
