

CIF Announces PPG as Annual Donor

MECHANICSVILLE, VA, April 11, 2022 – The Collision Industry Foundation (CIF) is delighted to announce that PPG Industries has joined in the “CIF Annual Donor Program”. At the URGENT CARE tier. With a \$5,000 pledge!

The Annual Donor Program was designed to bring needed, recurring resources to the Foundation, so it can deliver on its mission to *Answer the Call* when those in the industry have been impacted by unforeseen catastrophic events.

“PPG is proud to be an annual donor as part of the Collision Industry Foundation charitable mission to provide for those within the collision industry who have experienced loss due to natural disasters or other catastrophic events”, said Bryan Robinson, PPG Commercial Excellence Director, USCA.

“PPG has been a long-time financial supporter of CIF, and even more so with their time and resources,” commented Jordan Hendler, CIF Trustee and President of Admin Concepts, Inc., “It’s no surprise to me they would make a continuing commitment to the efforts of the foundation, as they have answered the call whenever disaster has struck. I’m constantly impressed by their willingness to contribute and serve our fellow industry men and women in time of need.”
