CIF Welcomes Mitchell as New Annual Donor

MECHANICSVILLE, VA, November 21, 2025 – The Collision Industry Foundation (CIF) is delighted that Mitchell International, Inc., an Enlyte company, has joined the "CIF Annual Donor Program" at the URGENT CARE (second highest) tier.

Introduced in 2021, the Annual Donor Program was designed to bring needed recurring resources to the Foundation, so it can deliver on its mission to 'Answer the Call' when those in the industry have been impacted by catastrophic events such as Accidents, Flooding, Hurricanes, Tornados or Wildfires.

For over two decades through the generous support of Corporations and Individuals, the CIF was able to assist hundreds of collision repair professionals in need after a disaster.

We are grateful for Mitchell's support of the Annual Donor Program, which will enable CIF to continue its work for disaster relief assistance.
